3.	<u>County Council Grant - £1500</u> The funds were granted in April for the development of a 'growing garden' and renovation for the existing corner garden. There is concern raised that if the funds are not spent the grant will be rescinded. HN will contact TDY to see if any plans are afoot to spend the money.	HN
4.	<u>100 Club</u> Concern was raised as the Club is no longer being run but people are still making regular contributions to the account. There is approx. £2,500 in the account, some of which must be returned to contributors. KC will arrange refunds where possible and identify who is still contributing. The account will then be closed and the remaining funds transferred to the PTA account.	KC
